Cindy,

I check and the number was reduced to 10. I believe Thursday was the last day of sampling so any samples rec'd to date is all there will be. I will check tomorrow once I get in to the office and give you an update.

Fred,

We have only received 8 of the 30 additional samples that you asked us to analyze. Are more coming?

Thanks,

Fred,

We have several data packages to send to you next week so we will send an EDD at that time. Hope this helps.
